2020 House League Registration Fees

MSBA teams can begin practising as of July 11, 2020. However, **approval from the Province of Ontario and City of Mississauga will be required before games can commence.** Because of this uncertainty, MSBA is creating a two tier registration fee structure. The amount under "if only practice" is the fee if we are only ever permitted to practice in 2020. The amount under "if play games" is the fee if we get to a position to start playing games.

Per Player Fees:

Category	if only practice	if play games	Total
T-ball	n/a	\$85	\$85
Rookie Ball	n/a	\$85	\$85
Baseball	\$100	\$50	\$150
Softball	\$100	\$50	\$150

Notes:

- (1) **Players, who have previously registered, will have until July 7, 2020 to advise if they wish to participate in 2020. Anyone, who does not want to participate, will receive, at their choice, either credit towards 2021 registration or refund for amounts paid.**
- (2) T-ball and Rookie ball will only start up if, by July 20, we have confirmation from the Province of Ontario and City of Mississauga that games can commence by late July so as to be able to schedule a minimum of 8 games.
- (3) Baseball and softball will begin practising the week-end of July 11-12. Approval for games must come from the Province of Ontario and the City of Mississauga before games can begin.
- (4) Players, who have not previously registered, must pay the Total amount to register.
- (5) **MSBA will issue, at the choice of the player/parent, either credit towards 2021 registration or refund for amounts previously paid in excess of the amounts set out above.**
- (6) As Rep/Select teams pay their registrations to MSBA through team accounts, please see our separate 2020 Rep/Select Registration Fee document.
