2020 Rep Registration Fees

MSBA teams can begin practising as of July 11, 2020. However, **approval from the Province of Ontario and City of Mississauga will be required before games can commence.**

On the softball side, rep teams had already received their uniforms prior to us having to suspend operations because of the COVID-19 pandemic. No baseball rep teams had yet received their uniforms. Rep baseball teams can choose to receive their uniforms now if they want.

Teams have written cheques for the registration fees, which were due in March. However, before those cheques were cashed, we suspended operations because of COVID-19. Those cheques will NOT be cashed by MSBA. So those funds will remain in your respective team bank accounts.

Because of this uncertainty, MSBA is creating a two tier registration fee structure. In the fall of 2019, all rep teams paid the Rep Surcharge, which will allow the teams to be insured and to practice this summer.

All uniforms, not collected now, will be issued prior to games commencing. When teams receive their 2020 uniforms, they will owe us \$75/player.

Category	Practice	uniforms	Total
Baseball	previously paid	\$75	\$75
Softball	previously paid	\$75	\$75

Notes:

- (1) Players, who have previously registered, will have until July 7, 2020 to advise if they wish to participate in 2020. Anyone, who does not want to participate, will receive, at their choice, either credit towards 2021 registration or refund for the \$225 Rep Surcharge paid to the MSBA in the fall.**

PLEASE BE PATIENT WITH US AS WE PROCESS CREDITS AND REFUNDS
