Dear MSBA Community:

The COVID-19 situation continues to evolve.

At this point in time, plans are still to run with our regular outdoor activities beginning in May as usual.

With regards to winter training, MSBA has cancelled winter workouts for an indefinite period. The cancellation will last a minimum of 3 weeks. We will continue to post announcements as things may change and will advise when baseball activities may resume.

A reminder that at this time, verified information indicates that COVID-19 spreads from person to person through respiratory droplets produced when an infected person coughs or sneezes. The following precautions are recommended:

- wash your hands frequently
- avoid contact with people who are sick
- avoid touching your eyes, nose and mouth
- cover your coughs and sneezes with a tissue or into your elbow (not your hands)
- contact your health professional if you exhibit symptoms associated with the virus

Reliable Resources

For the most updated information for you and your families, please refer to the trusted sources of information below:

- Peel Region Health Services - <http://www.peelregion.ca/coronavirus>
- Canada Public Health - <https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19.html>
- World Health Organization - <https://www.who.int/>

Trust that your MSBA Executive is proactively monitoring the situation and will gauge potential future decisions regarding our 2020 season on confirmed information as the situation evolves in the weeks to come.
