

WHY BE an UMPIRE

- PLAY BALL** Yes, let them play the great game of SOFTBALL. But they can't unless there are umpires on the diamond. By becoming an umpire you give the current players and the upcoming group of young ladies the opportunity to enjoy the excitement of our game with well-trained umpires at their game. Be the one calling out:
PLAY BALL!
- BALL** Need I say more. You will have a BALL being an umpire.
- STRIKE** You won't STRIKE it rich by umpiring, but the extra cash can sure come in handy.
- SAFE** It would be a SAFE bet that being an umpire can be a rewarding experience, especially for youth players as they become better players as they learn the rules. Youth umpires must be turning at least 13 in 2019.
- OUT** If your coaching days are done, don't be left OUT. Stay in the game. Adult umpires are in demand as well. Still coaching? Umpiring will also help the coaches have a better understanding of the game. Just a parent? Become more, give umpiring a try.
- FAIR** We all know that a game needs to be played in a FAIR manner. This is the umpire's main responsibility. Become an umpire to see that this standard is maintained.
- FOUL** I don't want to FOUL up this request by omitting my contact information. My name is Richard Meneguzzi. For further details I can be reached at:

I look forward to hearing from some future umpires.
