10. I will have full concentration at practice and games, from beginning to end.
11. My focus will be 100% on baseball from the time I arrive at the diamond until the time that I leave. In order to help achieve this, my parents have been told to not communicate with me during a game.
12. When not playing, I will stay on the bench during a game, cheer on teammates, and study the opposition. When I sit out, I understand that I will be assigned in-game responsibilities.
13. I will never yell at an official. I will never swear.
14. If I feel that I am not getting enough feedback from my coaches, it is up to me to ask a coach for more.

16. I will never throw equipment and always help put it away.
17. I will always respect the facilities. I will not litter or damage any of the facilities.
18. I will recognize the areas that I need to improve and work twice as hard during practice to correct them.
19. I accept that a game showcases what I learn in practice.

I understand that violations of the above expectations will be documented and addressed accordingly. This document will be on-hand with my coach every time we're together this season in order to review whenever needed. I understand that playing time will be earned based on my coaches' evaluation of my performance, work ethic, attitude, and adherence to this Code of Conduct.
